

# Honey Playdough

## INGREDIENTS

- 2 – 1/2 cups flour (plus 1/4 cup for later)
- 1/2 cup salt
- 2 tablespoons cream of tartar
- 1 – 1/2 cups of boiling water
- 1 tablespoon vegetable oil
- 2 tablespoons honey

## RECIPE

1. Mix the dry ingredients, set aside
2. Mix the wet ingredients in a separate bowl and slowly stir the wet ingredients into the dry. If the mixture looks too wet, add in the extra 1/4 cup of flour a little at a time.
3. Knead the dough on a cutting board with flour until it comes together. If the dough is too dry, add a teaspoon or two of oil.

Store dough in an air-tight container  
so you can use it for months!
